

CHIEF EXECUTIVE

- Key leadership role
- Aged and Community Care

Play a pivotal role in leading this progressive and creative organization as it continues to develop its retirement, residential and community service options for people in Melbourne's East. BASS Care is an independent, non-denominational NFP located in Boroondara, employing over 250 staff with annual revenue of over \$16M. Exciting development strategies are already under way.

As CEO, you will have the capacity to both deliver the strategic vision of the Board and bring strategic advice to the Board. You will provide strong leadership in a challenging and changing Aged Care environment and bring exceptional stewardship to a motivated Executive Team.

Commercially astute, with capacity to develop and grow this boutique yet diverse business, your experience and expertise will equip you to lead it through current and future Aged Care reforms. You will ensure implementation and financing of its significant property development strategy, have the capacity to drive change and deliver financial outcomes, while maintaining BASS Care's vision and quality of service.

If you can demonstrate successful leadership of a human services organization at a senior level, please apply to cv@dakinmayers.com.au or call Philip Mayers 9629 6999. Closing date 31 January.
